As a property owner in Oconee County, I understand that Oconee County has a Roadside Spraying-Vegetation Control Program to discourage undesirable brush growth and grass along the roadway shoulder.

I understand if I request the County not to spray adjacent to my property, then it becomes my responsibility to maintain vegetation along said right-of-way. I further understand if I do not maintain the vegetation, this agreement becomes null and void and said right-of-way will be returned to the Roadside Spraying-Vegetation Control Program.

I request NO SPRAYING of Herbicide at my above listed address.
