PROPERTY DISPOSITION ORDINANCE OF OCONEE COUNTY, GEORGIA

AN ORDINANCE REGULATING THE DISPOSITION OF REAL OR PERSONAL PROPERTY OWNED BY OCONEE COUNTY AND FOR OTHER PURPOSES THERETO.

ENACTMENT CLAUSE

For the purpose of promoting the health, safety and general welfare of the present and future inhabitants of the unincorporated areas of Oconee County and to provide for an orderly and proper disposal of real and personal property, the Board of Commissioners does hereby ordain and enact into law the following:

1

ARTICLE ONE: GENERAL PROVISIONS

Section 1. Title. This Ordinance shall be known and may be cited as the Property Disposition Ordinance.

Section 2. Definitions. All terms used herein shall have the definitions ascribed to them in Title 36, Chapter 9, and Title 32, Chapter 7, both of the Official Code of Georgia Annotated.

ARTICLE TWO: SALE OF SURPLUS REAL PROPERTY GENERALLY

Section 1. Public sale required. Disposition of real property owned by the county shall be conducted by public sale or exchange in accordance with O.C.G.A. § 36-9-3, or as otherwise provided by state law.

Section 2. Exceptions to public sale. The following transactions shall not be governed by Section 1:

A. A redemption of real property acquired by county under tax deed.
B. A grant of easement or license.
C. A grant or conveyance of right-of-way or for other transportation purchases.
D. A conveyance to any other unit of government.
E. A conveyance of recreational set-aside property to a homeowner's association in the manner permitted by state law.
F. A lease that constitutes a usufruct under state law.

G. Sale of parcels of small or narrow strips of land, so shaped or so small as to be incapable of being used independently as zoned or under applicable subdivision or other development ordinances or land use plans, or as streets, whether owned in fee or used by easement. Such parcels may be sold to abutting property owners where such sales and conveyances facilitate the enjoyment of the highest and best use of the abutting owner's property without first submitting the sale or conveyance to the process of an auction or the solicitation of sealed bids; provided, however, that each abutting property owner shall be notified of the availability of the property and shall have the opportunity to purchase said property at a price and upon terms negotiated between the property owner and the County.

Section 3. Procedures. Except as otherwise specifically provided by state law, the County shall not dispose of any real property unless the Board of Commissioners has declared such real property to be unserviceable. Other than dispositions governed by subsection (a) or by specified provisions of state law, any disposition may be made at public or private sale, upon such terms as the Board of Commissioners shall deem to be in the county's best interest.

ARTICLE THREE: SALE OF SURPLUS REAL PROPERTY
BY REAL ESTATE BROKER

Real property, specifically properties which are remnants of land from total takes on Oconee County road projects, may be disposed of by sale by real estate broker in accordance with Georgia law Section O.C.G.A. § 32-7-4 et seq.

Section 1. Requirements for real estate brokers. Real estate brokers must be licensed in accordance with Georgia law Section O.C.G.A. § 43-40-1 et seq.

Section 2. Declaration of surplus property. Property is declared surplus by the Oconee County Board of Commissioners in a regularly scheduled meeting.

Section 3. Notification to former or subsequent owner. The former or subsequent owner is notified in writing of intent to sell, as he/she has the first right to purchase the property at the fair market value price. If the former or subsequent owner waives this right, then adjoining property owners are notified that the property will be sold by real estate broker or by competitive sealed bid.

Section 4. Selection of broker. The broker shall be selected competitively, by a sealed proposal process.
Section 5. Advertising and listing of property. Commencing at the time of the listing of the property as provided in O.C.G.A. § 32-7-4, the County shall publicly advertise once a week for two weeks in the legal organ of the County the property and the name of the broker handling the property. Property shall be listed for a period of at least three months. Property cannot be sold for less than fair market value excluding commission fee. If property does not sell during the listing time, the County may renegotiate the commission to a lower fee, extend the exclusive agreement with the real estate broker or recommend to the Board of Commissioners that disposal be by competitive sealed bid or public auction.

Section 6. Approval of sale. All sales of properties shall be approved by the Board of Commissioners at a regular scheduled public meeting.

ARTICLE FOUR: DISPOSITION OF PERSONAL PROPERTY

Section 1. Declaration of unserviceability. The Board of Commissioners shall determine whether a particular item or category of personal property can no longer be used advantageously by the county and has therefore become unserviceable. The Board of Commissioners may establish criteria establishing unserviceability for categories of personal property which may become unserviceable on a regular, frequently recurring basis, and may delegate to the County Administrator the determination of whether a particular commodity meets the criteria of unserviceability for its category.

Section 2. Disposition. Unserviceable personal property may be sold by public sale, sealed bidding, spot bidding or any other means deemed most advantageous to the County under the particular circumstances as determined by the Board of Commissioners. A sale to a private person shall be for the highest net purchase price reasonably obtainable by the County. A sale to another unit of government shall be for a fair and reasonable purchase price that need not be as high as the purchase price obtainable from a private person. All sales for personal property items where the original unit purchase cost is $10,000.00 or less shall be approved by the County Administrator. The Board of Commissioners shall approve sales for personal property where original unit cost exceeds $10,000.00.

SECTION FIVE: LEASES OF COUNTY OWNED REAL PROPERTY

The Board of Commissioners may offer to lease county-owned real property if:

A. The real property is not in the best interest of the county but the real property is not currently being used.

B. The real property has been newly acquired but not immediately put to use by the county, and may reasonably be leased on a month-to-month or short-term basis.
A lessee's interest under any lease executed under this section shall constitute a usufruct only.

ARTICLE FIVE: MISCELLANEOUS

Section 1. Severability. In the event any section, subsection, sentence, clause or phrase of this Ordinance is declared or adjudged invalid or unconstitutional, such adjudication shall in no manner affect any other section, subsection, sentence, clause or phrase, which shall remain in full force and effect as if the section, subsection, sentence, clause or phrase so declared or adjudged invalid or unconstitutional were not originally a part hereof.

Section 2. Repeal of Conflicting Ordinances. All ordinances, resolutions and parts of ordinances or resolutions in conflict with this Ordinance are hereby repealed.

Section 3. Effective Date. The provisions of this Ordinance shall be effective and in force upon the date of its adoption, the public welfare demanding it.

Approved by the Oconee County Board of Commissioners after a first reading on the 6th day of June, 2017, second reading on the 27th day of June, 2017, and final action adopting and approving same on the 11th day of July, 2017.

INDEMNIFICATION

CONTRACTOR hereby waives, releases, relinquishes, discharges and agrees to indemnify, protect and save harmless the State of Georgia (including the State Tort Claims Trust Fund), DHS, the Department of Administrative Services ("DOAS"), their officers and employees (collectively "indemnitees") of and from any and all claims, demands, liabilities, losses, costs or expenses and attorneys' fees caused by growing out of, or otherwise happening in connection with this contract due to any act or omission on the part of the CONTRACTOR, its agents, employees, subcontractors, or others working at the direction of CONTRACTOR or on Contractor's behalf; or due to the application or violation of any pertinent federal, state or local law, rule or regulation, or due to any breach of this Contract by CONTRACTOR; (collectively, the "Indemnity Claims").

This indemnification extends to the successors and assigns of the CONTRACTOR, and this indemnification and release survives the termination of this Contract and the dissolution or, to the extent allowed by law, the bankruptcy of the CONTRACTOR.

No settlement or compromise of any claim, loss or damage asserted against Indemnitees shall be binding upon Indemnitees unless expressly approved by the Indemnitees.

1. Any CONTRACTOR who makes a prohibited expenditure or who fails to file or amend the disclosure form, as required shall be subject to civil penalty of not less than $10,000 for each such expenditure.
2. An imposition of a civil penalty under this section does not prevent the United States from seeking any other remedy that may apply to the same conduct that is the basis for the imposition of such civil penalty.

SERVICE PROGRAM GUIDELINES AND REQUIREMENTS

These rules apply to all services provided under this contract, funded in part or in whole with funds provided by the NEGRC and the Georgia Division of Aging Services under the Older Americans Act, as amended, or by State general revenue appropriations, or other funding source granted or contracted to the Division of Aging Services for the use in providing services, or other funds pooled with such funds to meet the costs for services under the Older Americans Act.

CONTRACTOR hereby agrees to follow the Department of Human Services Division of Aging Services policies and procedures for all services provided. CONTRACTOR will stay abreast of all Home and Community Based Services policies on the Online Directives Information System (ODIS) website located at http://odis.dhs.ga.gov/Main/Default.aspx.

Per the completed Uniform Cost Methodology for SFY 2020, CONTRACTOR will provide services at the following rates:

Congregate Meals Unit Cost $15.97 Per Meal

Home Delivered Meals Unit Cost $20.28 Per Meal

ACL NSIP Federal funding is now by Line Item Only and can only be used for Raw Foods. The Raw Foods amount in your UCM was backed out of the unit cost funding and your Congregate Meals Unit Cost above is a weighted unit cost. No activities will be entered into the Harmony Database for this fund source and you can send me receipts for the raw foods purchased for congregate meals which can equate to a 12th of the funding each month.
MEMORANDUM

TO: Area Agency on Aging Directors
FROM: Abby Cox, Director
Division of Aging Services
RE: Accuracy of Data Entry
DATE: February 8, 2017

The Department of Human Services (DHS) Division of Aging Services (DAS) data system is the official mechanism for reporting all fiscal and programmatic transactions of service providers and Area Agencies on Aging (AAAs). The accuracy of the data entered into the system is required by contract and by law and it is paramount.

When recording units of any service in a client’s record, the actual dates and times of service delivery must be entered correctly in the appropriate data fields. It is not appropriate to enter actual dates and times of service by means of manual text in the comments section, while incorrect information has been submitted in the Activity Times fields. Entering dates and times other than when services were rendered is not acceptable and will be subject to penalties pursuant to department policies and State and Federal laws.

According to DHS DAS policy (DAS MAN 5600, Section 3022), AAAs are required to complete data entry no later than the fifteenth (15th) working day of the month following the completion of the prior month’s activities. Each AAA must require service providers to enter data prior to this deadline. All service delivery dates must be accurate. No documentation of alternate dates of service will be
allowed. If the service provider has a specific need to enter data after the 15th working day of a particular month, then a written request must be made to both the AAA and DHS DAS for a temporary waiver and written permission by the AAA and DHS DAS is required to receive reimbursements for such late data entry. No permission will be comprehensive or on-going, but each singular request is to be considered on a case-by-case basis which will take into account a provider’s history of non-compliance with policy.

AAAs who have service providers out of compliance must develop a corrective action plan with the provider. Such corrective action plans are due to the appropriate regional coordinator for approval on or before March 1, 2017. Any service provider currently out of compliance must come into compliance by the end of quarter 3 (March 31, 2017) of this fiscal year.

NORTHEAST GEORGIA REGIONAL COMMISSION

AREA AGENCY ON AGING

BUSINESS ASSOCIATE AGREEMENT

This Business Associate Agreement ("Agreement"), effective ____________ 20__ ("Effective Date"), is entered into by and between ________________, and the Northeast Georgia Regional Commission Area Agency on Aging (the "Covered Entity"), with an address at 305 Research Drive, Athens, Georgia 30605 (each a "Party" and collectively the "Parties").

WITNESSETH:

WHEREAS, the U.S. Department of Health and Human Services ("HHS") has issued final regulations, pursuant to the Health Insurance Portability and Accountability Act of 1996 ("HIPAA"), governing the privacy of individually identifiable health information obtained, created or maintained by certain entities, including healthcare providers (the "Final Privacy Rule"), and meant to protect information regarding individuals treated by those providers. Throughout this Agreement, "Individual" shall have the same meaning as the term "individual" in 45 C.F.R. §164.502(g); and

WHEREAS, the Final Privacy Rule requires that the Covered Entity enter into this Agreement with Contractor in order to protect the privacy of individually identifiable health information ("Protected Health Information", or "PHI") maintained by the Covered Entity as that term is defined in 45 C.F.R. §164.501. The scope of this Agreement is limited to the information created or received by Contractor from or on behalf of the Covered Entity; and

WHEREAS, Contractor and its employees, affiliates, agents or representatives may access paper and/or electronic records containing PHI in carrying out their obligations to the Covered Entity pursuant to either an existing or contemporaneously executed agreement for services ("Services Agreement"); and

WHEREAS, the Parties desire to enter into this Agreement to protect PHI, and to amend any agreements between them, whether oral or written, with the execution of this Agreement;

NOW, THEREFORE, for and in consideration of the premises and mutual covenants and agreements contained herein the parties agree as follows:

1. Service Agreements.

1.1 Existing Services Agreements. Covered Entity and Contractor are parties to a Services Agreement, which was executed prior to the Effective Date, currently in effect, and incorporated by reference. All existing Agreements between the Parties are incorporated
into this Agreement. In the event of conflict between the terms of any Services Agreement and this Agreement, the terms and conditions of this Agreement shall govern.

1.2 Contemporaneous Services Agreement. In the event that Covered Entity and Contractor are not parties to a Services Agreement existing prior to the Effective Date, but instead enter into a Services Agreement at the same time as executing this Agreement, such agreement shall be attached as Exhibit A, or incorporated here by reference. In the event of conflict between the terms of the Services Agreement and this Agreement, the terms and conditions of this Agreement shall govern.

1.3 Use and Disclosure of PHI to Provide Services. The Contractor will not use or further disclose PHI (as such term is defined in the Final Privacy Rule) other than as permitted or required by the terms of the Service Agreement or as required by law. Except as otherwise provided in this document, the Contractor may make any and all uses of PHI necessary to perform its obligations under the applicable Services Agreement. All other uses not authorized by this Agreement are prohibited.

2. Additional Contractor Activities. Except as otherwise provided in this Agreement, the Contractor:

2.1 Agrees to not use or further disclose PHI other than as permitted or required by the Agreement or as required by law, as that phrase is defined at 45 CFR 164.501, provided that such use or disclosure would not violate the Final Privacy Rule if done by the Covered Entity.

2.2 Represents to Covered Entity that (i) any disclosure it makes will be permitted under applicable laws, and (ii) the Contractor will obtain reasonable written assurances from any person to whom the PHI will be disclosed that the PHI will be held confidentially and used or further disclosed only as required and permitted under the Final Privacy Rule and other applicable laws, that any such person agrees to be governed by the same restrictions and conditions contained in this Agreement, that such person will notify the Contractor of any instances of which it is aware in which the confidentiality of the PHI has been breached.

2.3 May bring together the Covered Entity’s PHI in Contractor’s possession with the PHI of other covered entities that the Contractor has in its possession through its capacity as a contractor to such other covered entities, provided that the purpose of bringing the PHI information together is to provide the Covered Entity with data analyses relating to its Healthcare Operations, as such term is defined in the Final Privacy Rule. The Contractor will not disclose the PHI obtained from Covered Entity to another Covered Entity without written authorization from Covered Entity.

2.4 May de-identify any and all PHI provided that the de-identification conforms to the requirements of applicable law as provided for in C.F.R. §164.514(b) and that Contractor maintains such documentation as required by applicable law, as provided for in 42 C.F.R. §164.514(b). The Parties understand that properly de-identified information is not PHI under the terms of this Agreement.
3. **Contractor Covenants.** Contractor agrees to:

3.1 Use or further disclose the minimum necessary PHI in performing the activities called for under the Services Agreement;

3.2 Not to use or further disclose PHI except as permitted under this Agreement, the Final Privacy Rule, and applicable State Law, each as amended from time to time;

3.3 Use appropriate safeguards to prevent the use or disclosure of PHI other than as provided for in this Agreement.

3.4 Report to Covered Entity any use or disclosure of the PHI not permitted by this Agreement within five days of the Contractor becoming aware of such use or disclosure;

3.5 In conjunction with the requirements of Section 2.2, ensure that any subcontractors or agents to whom it provides PHI received from, or created or received by the Contractor on behalf of the Covered Entity, agree to the same restrictions and conditions that apply to the Contractor with respect to the PHI;

3.6 Contractor agrees to document such disclosures of PHI and information related to such disclosures as would be required for the Covered Entity to respond to a request by an Individual for an accounting of disclosures of PHI in accordance with 45 C.F.R. §164.528. Within ten days of a request by Covered Entity, report to Covered Entity all disclosures of PHI to a third party for a purpose other than Treatment, Healthcare Operations or Payment, as such terms are defined in the Final Privacy Rule. The report to the Covered Entity shall identify: (i) the subject of the PHI (i.e., patient name or identifier); (ii) the PHI disclosed; and (iii) the purpose of the disclosure in accordance with the accounting requirements of 45 C.F.R. §164.528;

3.7 Maintain the integrity of any PHI transmitted by or received from Covered Entity;

3.8 Comply with Covered Entity policies and procedures with respect to the privacy and security of PHI and other Covered Entity records, as well as policies and procedures with respect to access and use of Covered Entity’s equipment and facilities;

3.9 Provide the rights of access, amendment, and accounting as set forth in Sections 5 and 6;

3.10 Except as otherwise limited in this Agreement, Contractor may use PHI to provide Data Aggregation services to the Covered Entity as permitted by C.F.R.§ 164.504(e)(2)(i)(B).

4. **Covered Entity Covenants.**

4.1 Covered Entity shall provide Contractor with the notice of privacy practices that Covered Entity produces in accordance with 45 C.F.R. §164.520, as well as any changes to such notice.
4.2 Covered Entity shall provide Contractor with any changes in, or revocation of, permission by Individual to use or disclose PHI, if such changes affect Contractor’s permitted or required uses and disclosures.

4.3 Covered Entity shall notify Contractor of any restriction to the use or disclosure of PHI that Covered Entity has agreed to in accordance with 45 C.F.R. § 164.522.

4.4 Covered Entity shall not request Contractor to use or disclose PHI in any manner that would not be permissible under the Privacy Rule if done by Covered Entity. This provision specifically expects those situations in which the Contractor will use or disclose protected health information for, and the contract includes provisions for, data aggregation or management and administrative activities of Contractor.

5. Access to PHI. Within five (5) days of a request by Covered Entity for access to PHI about a patient contained in a Designated Record Set, as such is defined in the Final Privacy Rule, the Contractor shall make available to Covered Entity, or the patient to whom such PHI relates or his or her authorized representative, such PHI for so long as such information is maintained in the Designated Record Set as defined in 45 C.F.R. § 164.524. In the event any patient request access to PHI directly from the Contractor, the Contractor shall, within five days, forward such request to Covered Entity. Any denials of access to the PHI requested shall be the responsibility of Covered Entity.

6. Amendment of PHI. Within ten (10) days of receipt of a request from Covered Entity for the amendment of patient’s PHI or a record regarding a patient contained in a Designated Record Set the Contractor shall, as required by 45 C.F.R. § 164.526, incorporate any such amendments in the PHI provided, however, that Covered Entity has made the determination that the amendment(s) is/are necessary because the PHI that is the subject of the amendment(s) has been, or foreseeable could be, relied upon by the Contractor or others to the loss of the patient who is the subject of the PHI to be amended. The obligation in this Section 6 shall apply only for so long as the PHI is maintained by Contractor in a Designated Record Set.

7. Accounting for Disclosure of PHI. Within thirty (30) days of notice by Covered Entity to the Contractor that it has received a request for an accounting of disclosures of PHI regarding an individual, the Contractor shall make available to Covered Entity such information as is in the Contractor’s possession and is required for Covered Entity to make the accounting required by 45 C.F.R. § 164.528. In the event the request for an accounting is delivered directly to the Contractor, the Contractor shall, within five (5) days, forward the request to Covered Entity. It shall be Covered Entity’s responsibility to prepare and deliver to the Individual any accounting requested.

8. Access to Books and Records Regarding PHI. Within ten (10) days of notice by the Covered Entity, the Contractor will make its internal practices, books, and records relating to the use and disclosure of PHI received from or created or received by the Contractor on behalf of, Covered Entity available to the Secretary of the U.S. Department of Health and Human Services for purposes of determining Covered Entity compliance with the Final Privacy Rule.
9. **Disposition of PHI Upon Termination.** The Contractor will, at termination or expiration of the Services Agreement, if feasible, return or destroy all PHI received from, or created or received by the Contractor on behalf of, Covered Entity which the Contractor and/or its subcontractors or agents still maintain in any form, and will not retain any copies of such information. If such return or destruction is not feasible, the Contractor will notify Covered Entity of such event in writing, and will therefore extend the protections of this Agreement to the PHI and limit further uses and disclosures to those purposes that make the return or destruction of the PHI not feasible.

10. **Representations and Warranties**

10.1 Mutual Representations and Warranties of the Parties.
Each Party represents and warrants to the other Party.

(a) that it is duly organized, validly existing, and in good standing under the laws of the jurisdiction in which it is organized or licensed, it has the full power to enter into this Agreement and to perform its obligations described in this Agreement, and that the performance by it of its obligations under this Agreement have been duly authorized by all necessary corporate or other actions and that such performance will not violate any provision of any organizational charter or bylaws.

(b) That neither the execution of this Agreement, nor its performance, will directly or indirectly violate or interfere with the terms of another agreement to which it is a party, or give any governmental entity the right to suspend, terminate, or modify any of its governmental authorizations or assets required for its performance.

(c) That all of its employees, agents, representatives and members of its workforce, whose services may be used to fulfill obligations under this Agreement are or shall be appropriately informed of the terms of this Agreement and are under legal obligation to each Party, respectively, by contract or otherwise, sufficient to enable each Party to fully comply with all provisions of this Agreement.

(d) That it will reasonably cooperate with the other Party in the performance of the mutual obligations under this Agreement.

11. **Term.** Unless otherwise terminated as provided in Section 12, this Agreement shall become effective on the Effective Date and shall have a term that shall run concurrently with that of the Services Agreement.

12. **Termination.**

12.1 Generally, this Agreement will automatically terminate without any further action of the Parties upon the termination or expiration of the Services Agreement; provided, however, certain provisions and requirements of this Agreement shall survive such expiration or termination in accordance with Section 13.

12.2 Termination by the Covered Entity. As provided for under 45 C.F.R. § 164.504(e)(2)(iii), the Covered Entity may immediately terminate this Agreement, the Services Agreement and any related agreements if the Covered Entity makes the determination and Contractors has breached a material term of this Agreement.
Alternatively, and in the sole discretion of Covered Entity, Covered Entity may choose to provide Contractor with written notice of the existence of the breach and provide Contractor with thirty (30) calendar days to cure said breach upon mutually agreeable terms. In the event that mutually agreeable terms cannot be reached within this thirty (30) day period, Contractor shall cure said breach to the satisfaction of the Covered Entity within an additional fifteen (15) days. Failure by Contractor to cure said breach or violation in the manner set forth above shall be grounds for immediate termination of the Services Agreement by the covered Entity. If termination is not feasible, Covered Entity has the right to report the breach or violation to the Secretary of the U.S. Department of Health and Human Services.

13. **Effect of Termination.** Upon termination pursuant to Section 12, Contractor agrees to return or destroy all PHI pursuant to 45 C.F.R. § 164.504(e)(2)(1), if it is feasible to do so. Prior to doing so, the Contractor further agrees to recover any PHI in the possession of its subcontractors or agents.

If it is not feasible for the Contractor to return or destroy all PHI, the Contractor will notify the Covered Entity in writing. Such notification shall include: (i) a statement that the Contractor has determined that it is infeasible to return or destroy the PHI in its possession; and (ii) the specific reasons for such determination. Contractor further agrees to extend any and all protections, limitations and restrictions contained in this Agreement to the Contractor’s use and/or disclosure of any PHI retained after the termination of this Agreement, and to limit any further uses and/or disclosures to the purposes that make the return or destruction of the PHI not feasible.

If it is not feasible for the Contractor to obtain from a subcontractor or agent any PHI in the possession of the subcontractor or agent, the Contractor must provide a written explanation to the Covered Entity and require the subcontractors and agents to agree to extend any and all protections, limitations, and restrictions contained in this Agreement to the subcontractors’ and/or agents’ use and/or disclosure of any PHI retained after the termination of this Agreement, and to limit any further uses and/or disclosures to the purposes that make the return or destruction of the PHI not feasible.

14. **Third Party Beneficiaries.** Nothing in this Agreement shall be construed to create any third party beneficiary rights in any person.

15. **Amendments; Waiver.** Both the Covered Entity and Contractor agree to take such action as is necessary to amend this Agreement from time to time as is necessary for the Covered Entity to comply with the requirements of the Final Privacy Rule and HIPAA.

This agreement may not be modified, nor shall any provision be waived or amended, except in a writing duly signed by authorized representatives of the Parties. The failure of either Party to enforce at any time any provision of this Agreement shall not be construed to be a waiver of such provision, nor in any way to affect the validity of this Agreement or the right of either Party hereafter to enforce each and every such provision.
