RE: Text Amendments to Articles 4 and 5 of the UDC

Attached is a copy of the proposed amendments to Article 4 and Article 5 of the Unified Development Code for consideration at the July 2, 2019, BOC meeting.

In Article 4, the following edits have been made:

- Amended lot dimensional, road frontage, and size requirements
- Added maximum lot coverage requirements
- Consolidated tables into one master table

In Article 5, the following edits have been made:

- Replaced outdated terms and department labels with the updated terms and labels
- Amended limitations for special exception variances
- Modified minor subdivision allowances and MPD provisions

The Planning Commission considered the proposed amendments at the June 17, 2019, PC meeting. Recommendations from the Planning Commission are attached here, along with public comments and additional staff recommendations. Comments from the County attorney have been incorporated into the attached text and all changes have been highlighted. Please feel free to contact me if you have any questions or would to discuss the proposed amendments.

SUBJECT: Proposed Property Disposition Ordinance Update

---

**ISSUE SUMMARY:**

*(Background)*

Oconee County’s Property Disposition Ordinance, effective July 11, 2017, in accordance with Title 36, Chapter 9, and Title 32, Chapter 7 of the Official Code of Georgia, requires the following for disposition of personal property:

1. Declaration of unserviceability by the Board of Commissioners
   a. Unserviceable – no longer used advantageously by the county

2. Disposition may occur by public sale, sealed bidding, spot bidding, or other advantageous methods. Sale to an individual shall be for the highest net purchase price reasonably obtainable. Sale to another government shall be for a fair and reasonable price.

3. Unserviceable personal property may be sold by means deemed most advantageous to the County as determined by the Board of Commissioners.

4. The sale of personal property with an original purchase cost of $10,000.00 or less can be approved by the County Administrator. The Board of Commissioners shall approve the sale of personal property with an original purchase cost exceeding $10,000.00.

---

**RECOMMENDATION:**

Requesting review of the proposed property disposition ordinance update
Oconee County
Department Memorandum

**ANALYSIS:**

The following changes are proposed:

1. Declaration of unserviceability by the Finance Director

2. Unserviceable personal property may be sold by means deemed most advantageous to the County as determined by the Finance Director.

3. The sale of personal property with a depreciated cost of $10,000.00 or less can be approved by the Finance Director. The Board of Commissioners shall approve the sale of personal property with a depreciated cost exceeding $10,000.00.
PROPERTY DISPOSITION ORDINANCE OF OCONEE COUNTY, GEORGIA

AN ORDINANCE REGULATING THE DISPOSITION OF REAL OR PERSONAL PROPERTY OWNED BY OCONEE COUNTY AND FOR OTHER PURPOSES THERETO.

ENACTMENT CLAUSE

For the purpose of promoting the health, safety and general welfare of the present and future inhabitants of the unincorporated areas of Oconee County and to provide for an orderly and proper disposal of real and personal property, the Board of Commissioners does hereby ordain and enact into law the following:

ARTICLE ONE: GENERAL PROVISIONS

Section 1. Title. This Ordinance shall be known and may be cited as the Property Disposition Ordinance.

Section 2. Definitions. All terms used herein shall have the definitions ascribed to them in Title 36, Chapter 9, and Title 32, Chapter 7, both of the Official Code of Georgia Annotated.

ARTICLE TWO: SALE OF SURPLUS REAL PROPERTY GENERALLY

Section 1. Public sale required. Disposition of real property owned by the County shall be conducted by public sale or exchange in accordance with O.C.G.A. § 36-9-3, or as otherwise provided by state law.

Section 2. Exceptions to public sale. The following transactions shall not be governed by Section 1:

A. A redemption of real property acquired by county under tax deed.
B. A grant of easement or license.
C. A grant or conveyance of right-of-way or for other transportation purchases.
D. A conveyance to any other unit of government.
E. A conveyance of recreational set-aside property to a homeowner’s association in the manner permitted by state law.
F. A lease that constitutes a usufruct under state law.

G. Sale of parcels of small or narrow strips of land, so shaped or so small as to be incapable of being used independently as zoned or under applicable subdivision or other development ordinances or land use plans, or as streets, whether owned in fee or used by easement. Such parcels may be sold to abutting property owners where such sales and conveyances facilitate the enjoyment of the highest and best use of the abutting owner's property without first submitting the sale or conveyance to the process of an auction or the solicitation of sealed bids; provided, however, that each abutting property owner shall be notified of the availability of the property and shall have the opportunity to purchase said property at a price and upon terms negotiated between the property owner and the County.

Section 3. Procedures. Except as otherwise specifically provided by state law, the County shall not dispose of any real property unless the Board of Commissioners has declared such real property to be unserviceable. Other than dispositions governed by subsection (a) or by specified provisions of state law, any disposition may be made at public or private sale, upon such terms as the Board of Commissioners shall deem to be in the county's best interest.

ARTICLE THREE: SALE OF SURPLUS REAL PROPERTY BY REAL ESTATE BROKER

Real property, specifically properties which are remnants of land from total takes on Oconee County road projects, may be disposed of by sale by real estate broker in accordance with Georgia law Section O.C.G.A. § 32-7-4 et seq.

Section 1. Requirements for real estate brokers. Real estate brokers must be licensed in accordance with Georgia law Section O.C.G.A. § 43-40-1 et seq.

Section 2. Declaration of surplus property. Property is declared surplus by the Board of Commissioners in a regularly scheduled meeting.

Section 3. Notification to former or subsequent owner. The former or subsequent owner is notified in writing of intent to sell, as he/she has the first right to purchase the property at the fair market value price. If the former or subsequent owner waives this right, then adjoining property owners are notified that the property will be sold by real estate broker or by competitive sealed bid.

Section 4. Selection of broker. The broker shall be selected competitively, by a sealed proposal process.

Section 5. Advertising and listing of property. Commencing at the time of the listing of the property as provided in O.C.G.A. § 32-7-4, the County shall publicly advertise once a week for two weeks in the legal organ of the County the property and
the name of the broker handling the property. Property shall be listed for a period of at least three months. Property cannot be sold for less than fair market value excluding commission fee. If property does not sell during the listing time, the County may renegotiate the commission to a lower fee, extend the exclusive agreement with the real estate broker or recommend to the Board of Commissioners that disposal be by competitive sealed bid or public auction.

Section 6. Approval of sale. All sales of properties shall be approved by the Board of Commissioners at a regular scheduled public meeting.

ARTICLE FOUR: DISPOSITION OF PERSONAL PROPERTY

Section 1. Declaration of unserviceability. The County Finance Director shall determine whether a particular item or category of personal property can no longer be used advantageously by the county and has therefore become unserviceable. The County Finance Director may establish criteria establishing unserviceability for categories of personal property which may become unserviceable on a regular, frequently recurring basis, and may determine whether a particular commodity meets the criteria of unserviceability for its category.

Section 2. Disposition. Unserviceable personal property may be sold by any means deemed most advantageous to the County under the particular circumstances as determined by the County Finance Director. A sale to a private person shall be for the highest net purchase price reasonably obtainable by the County. A sale to another unit of government shall be for a fair and reasonable purchase price that need not be as high as the purchase price obtainable from a private person. All sales for personal property items where the depreciated value is $10,000.00 or less shall be approved by the County Finance Director. The Board of Commissioners shall approve sales for personal property where the depreciated value exceeds $10,000.00.

SECTION FIVE: LEASES OF COUNTY OWNED REAL PROPERTY

The Board of Commissioners may offer to lease county-owned real property if:

A. The real property is not in the best interest of the County but the real property is not currently being used.
B. The real property has been newly acquired but not immediately put to use by the county, and may reasonably be leased on a month-to-month or short-term basis.

A lessee's interest under any lease executed under this section shall constitute a usufruct only.
ARTICLE FIVE: MISCELLANEOUS

Section 1. Severability. In the event any section, subsection, sentence, clause or phrase of this Ordinance is declared or adjudged invalid or unconstitutional, such adjudication shall in no manner affect any other section, subsection, sentence, clause or phrase, which shall remain in full force and effect as if the section, subsection, sentence, clause or phrase so declared or adjudged invalid or unconstitutional were not originally a part hereof.

Section 2. Repeal of Conflicting Ordinances. All ordinances, resolutions and parts of ordinances or resolutions in conflict with this Ordinance are hereby repealed.

Section 3. Effective Date. The provisions of this Ordinance shall be effective and in force upon the date of its adoption, the public welfare demanding it.

Approved by the Oconee County Board of Commissioners after a first reading on the 30th day of July, 2019, and final action adopting and approving same on the 6th day of August, 2019.

RE: Text Amendments to Articles 6, 7, and 8 of the UDC

Attached is a copy of the proposed amendments to Articles 6, 7, & 8 of the Unified Development Code for consideration at the August 6, 2019, Board of Commissioners meeting.

In Article 6, the following edits have been made:

- Addition of uses to the off-street parking ratio table
- Update ADA requirements to comply with federal law
- Clarification of ambiguous language

In Article 7, the following edits have been made:

- Elimination of pole signs

In Article 8, the following edits have been made:

- Elimination of outdated provisions from past ordinances
- Addition of prohibited species
- Organization of allowed plant species
- Increase caliper and tree count requirements
- Clarification of ambiguous language

The Planning Commission considered the proposed amendments at the July 15, 2019, PC meeting. Recommendations from the Planning Commission are attached here, along with additional staff recommendations. Comments from the County attorney have been incorporated into the attached text and all changes have been highlighted. Please feel free to contact me if you have any questions or would to discuss the proposed amendments.

Oconee County
Department Memorandum

DATE: 07/18/2019

TO: Board of Commissioners

FROM: Guy Herring, Director
Department of Planning and Code Enforcement

SUBJECT: Appeal of Administrative Decision

**ISSUE SUMMARY:** The owner of Hokulia Shave Ice Athens is appealing a decision made by the Department of Planning and Code Enforcement to disallow a mobile food vendor from operating as an accessory use on a property that contains an existing principal commercial use.

**ANALYSIS:** On June 4, 2019, the Planning and Code Enforcement Department informed the petitioner that Hokulia Shave Ice would not be permitted to operate at 1011 Park Drive. The petitioner subsequently filed an appeal of an administrative decision requesting that the Board of Commissioners override the Department's decision and allow Hokulia Shave Ice to operate on the aforementioned property. The Planning and Code Enforcement Department maintains that the subject property currently contains a principal commercial use (limited service restaurant), though the existing building is now vacant. The department also maintains that mobile food vending is not listed in UDC Table 2.2, Accessory Uses Allowed by Zoning District, nor in Table 2.1, Principle Uses Allowed by Zoning District and is consequently prohibited under Sec. 207.06.a and Sec. 207.06.b.

Sec. 207. Prohibited uses.

a. Any principal use not shown on the following Table 2.1 as allowed in a zoning district, whether by right or with approval as a Special Use, is specifically prohibited.

b. Any accessory use not shown on the following Table 2.2 as allowed in a zoning district, whether by right or with approval as a Special Use, is specifically prohibited.

c. In addition, uses, products and manufacturing processes that are specifically prohibited in all zoning districts are listed in Division IV of Article 3.

Sec. 207.07. Interpretation of uses.

Some degree of interpretation will occasionally be required. It is not possible to list each and every variation or name of a given use.

a. In addition to other generally accepted references and resources, the North American Industrial Classification System (NAICS), published by the U.S. Department of Commerce (current available edition), may be referred to in order to interpret the definition of uses listed on Table 2.1 and Table 2.2 to identify similar uses that may be allowed along with each listed use. The NAICS classification number is shown on the tables for each applicable use for reference and interpretation only; the NAICS is not adopted as part of this Code.

In all cases of uncertainty, the determination of whether or not a particular use is allowed in a particular zoning district shall reflect the purpose of the zoning district as stated in this Article, both the common and dictionary definitions of the use, and the array of listed uses that are allowed in the district as to their character and intensity, as determined by the Planning Director.

---

The following tables of allowed uses are organized under the following land use categories:

Table 2.1 organizes the various principal uses under the following headings:
- Agriculture, Forestry, Fishing and Hunting
- Residential Uses
- Administrative and Professional Offices
- Commercial Services
- Arts, Entertainment and Recreation
- Retail Trade
- Manufacturing, Wholesaling and Warehousing
- Transportation, Communications and Utilities
- Public and Institutional Uses

Table 2.2 presents the various accessory uses allowed in each zoning district.

Zoning Appeal Narrative for Hokulia Shave Ice - 1011 Park Drive, Watkinsville, GA 30677

Background:
Hokulia Shave Ice is mobile food vendor franchise with locations around the country. Locally (Hokulia Athens), there are three locations in Athens. The company has sought locations in Oconee County but has been denied permitting for those locations. We are appealing our denial of the location at 1011 Park Drive.

Hokulia sets a concession trailer, decorated as a Hawaiian beach shack, for the summer season to sell shave ice in parking lots where we lease space from property owners. We bring power to the location and leave the shack onsite for the season. We currently employ nearly 20 youth from Oconee county and we have many customers in this county.

We were told that we were denied approval because the code does not explicitly allow mobile food service in the county, and that our food service could not be ancillary to the primary purpose of the property.

The vacant building where we were seeking approval was the old Dairy Queen, so the primary purpose of the building was food service and currently, we would be the only food service provider on the property during the period of the lease.

Furthermore, we were denied because mobile food vending is not allowed in the county. However, this is of concern because a competitor, Kona Ice, routinely sells shave ice at a local gas station/convenient store and throughout neighborhoods in Oconee County. They also routine show up at K-12 schools and sell product as a mobile food vendor.

We would like to compete with Kona Ice in Oconee County. We would like to do it legally. We desire that you will reconsider this denial and allow us the opportunity bring truly authentic Hawaiian Shave Ice to the residents of Oconee County. We now that they will thank you for your help in this and we know that the youth in our county (Oconee County) that Hokulia employs will thank you for shortening their commute.

Thank you for your consideration of this!

Sincerely,

Department Memorandum

Department of Planning and Code Enforcement

SUBJECT: Deviation from Minimum Roof Pitch Requirement

**ISSUE SUMMARY:** The applicant is requesting a deviation from the minimum roof pitch of 4:12 for a single family residence required by Sec. 304.04.

**ANALYSIS:** On June 7, 2019, the applicant applied for a building permit to construct a single family residence with a roof pitch of less than 4:12. Section 304.06 allows for a deviation from the minimum standards for single family dwellings, provided that both of the following criteria are met:

a. **Such a deviation shall provide an adequate balance between the protection of the health, safety and welfare of the general public and the right to unfettered use of private property.** Staff holds that the requested deviation should not yield any negative impacts on the health, safety, and welfare of the general public and should serve to increase the owners’ rights to unfettered use of their private property.

b. **Such deviation shall foster beneficial development of the County in the public interest.** Staff holds that the requested deviation would foster high quality development and increase the variety of single family housing in the county.

To The Oconee Board Of Commissioners:

I am writing on behalf of my clients, Edward and Kay Read. I have been contracted to build their dream home on a 54 acre tract of land at the end of Kennedy Rd., on the property of Nancy Kennedy Fuller. They hired Gabriel Comstock, principle architect of ARCollab, to design their house to blend into the surroundings, harmonize with existing outbuildings and to be energy efficient and affordable. Unfortunately, his design does not conform to the design standards set forth by the Oconee County Unified Development Code. The pitch of the roof is less than a 4:12.

We are requesting a deviation from this standard due to the privacy of this house, the unique design and the burden of budget overruns due to redesign and to increases in material and labor costs. The house will sit 200 yards from the terminus of a dead end road on a long private drive. It is obscured by trees, and is nestled into a small valley surrounded by existing low pitch outbuildings. The low pitch of the roof is also necessary to ensure the water runoff from the building does not overwhelm the gutter system and will efficiently drain away from the foundation. A redesign of the roof system will cause a budget overrun and place a hardship on my clients who are retiring to Oconee County. They have a fixed budget for this house and have given me a complete set of plans with all finishes and fixtures chosen at the outset.

Although Oconee County desires a uniform design standard, occasional deviations can be appropriated. Our request meets the standards of the deviation in two ways. First, it addresses public health, safety, and welfare, where the roof pitch meets International Residential Code minimum specifications for the thermoplastic membrane roofing material. Meeting this code allows for the clients and the property owner to use their property as desired. Second, the design of this house fosters beneficial development to Oconee County interest because it blends into its immediate surroundings, is hidden from view of any public road, and its unique butterfly roof design adds aesthetic architectural variety to the county. Lastly, the current architectural design is consistent with the budget constraints and requirements of its tenants. Please consider these factors when making your final decision. Thank you for time.

Sincerely,
Thorarinn Bjoransson

Re: 1368 McNutt Creek Road Residence Building
    Permit Application – Roof Standards

To whom it may concern:

I request a deviation to the roof standards based on A&B of section 304.06.

I request reducing the roof slope from 4/12 to 3/12 for my main house roof. This request is based on me using a 26 gauge standing seam metal roof (Snap Lok) with 1" High ribs at 16" O.C. See attached spec sheets. I'm sure you realize a metal roof is longer lasting than a shingle roof.

This request is made to keep the appearance of the house to be contemporary California look, with a metal roof. This is the style my wife picked out. A higher profile just does not work with this look.

As a commercial general contractor we install metal standing seam roof as low as ½" in 12".

Please approve my request, as we will assure you we will perform this new roof construction to commercial industry standards.

Please contact me if you have any questions.

Sincerely,

Milton Garland
