Help! We're having a Pop Up Cleanup today on Hog Mountain Road at 3 pm. All those little strips of paper and other litter need to be picked up before the rain! We will start at the 441 end and work towards Butler's Crossing. Permission has been given to park on UGA gravel drive. Many hands make for light work! Please help us to Keep Oconee County Beautiful!

Not only is it just not pretty, the indirect costs of litter are also substantial. Litter can decrease property values by 7%, not to mention the more than 50 billion pieces of litter on our nation's roadways. That's why for the last 65 years, #KeepAmericaBeautiful has served as our country's nonprofit steward of litter prevention. But we couldn't do it without YOU—our 600 affiliates and 5 million volunteers. There's more work to be done so hit the link in our bio to help #cleanYOURblock.

Keeping Oconee clean, green and beautiful! An amazing day on the water, thanks to all!

Oconee Joe is in Oconee River. September 30, 2018

Oconee River Cleanup Campaign 2018... I am very proud to have been a contributing factor in the inaugural Keep Oconee County Beautiful Commission River Cleanup!!! A huge thank you to Cindy Pritchard for coordinating this event and Big Dog's on the River for assisting us with the launch and put in. This was Oconee County's first official endeavor to clean the local waterways. We paddled from Old Macon Highway down to the Barnett Shoals area and picked up hundreds of pounds of trash and debris. Of course good men and women of Oconee participated, but what was special to me were the Elementary, Middle, and High School level young adults that worked hard to be good stewards of our Watershed... Our future is in good hands!

It takes everyone helping to eliminate litter! #secureallroads

Oconee County Georgia Sheriff's Office November 16, 2018

As has been reported here previously, we partnered with the Oconee County GA Government and the Keep Oconee County Beautiful Commission to begin a litter pickup detail staffed by people sentenced to community service.

Deputy Gabriel reported that 28 bags of trash were picked up on Barnett Shoals Road this week.

It's good that the detail put in the work, but it's bad that 28 bags worth of trash was on the sides of the road.

It takes 3 TONS of trees to make 1 ton of virgin cardboard. While online shopping turns into a lot of empty boxes, do your part to recycle them. Remove any shipping materials, like packing peanuts and bubble wrap, and put the flattened cardboard in the bin. #BeRecycled OKC Beautiful
