

## WELCOME BACK!!!

We are so happy to see everyone again. There are several changes to our services and programming that you need to be aware of.

- No Congregate meals or scheduled activities will be available during August;
- The building will be open from 9-11 am for light refreshments and fellowship;
- Transportation services will resume in September;
- If you are new to the Senior Center and wish to begin attending, you will need to speak with Angela Helwig to go over the criteria for participation. \*\*\*The Senior Center is not staffed or currently funded to provide respite care at this time. Any member exhibiting cognitive impairment will be required to have a caregiver present at all times while attending the Center.

During the month of August, please take time to familiarize yourself with our new policies and procedures, feel free to ask our friendly staff members questions.

- Beginning in September, the Center will be open Monday-Thursday 8:00 am-3:30 pm for programs and activities, closed on Fridays for deep cleaning and sanitizing.
- Every participant will have a choice of two (2) days per week, either Monday and Wednesday or Tuesday and Thursday, to attend for activities and meals. These scheduled days are arranged to allow the same participants to be together on the same days in order to make contact tracing easier if someone were to contract COVID-19.
- **Although not required, it is highly recommended that everyone wear a mask while participating in group activities other than lunch.**
- Once you have established the days you are attending, these days will be your days through the end of the year.
- There is limited seating available in the dining room due to COVID restrictions and “best practices”. If you have already been identified as having food insecurities and needing transportation you will be guaranteed a spot.
- Lunch provided in the dining room, seated, will be limited to no more than 20 people. Lunch begins at 11:45 am with getting your beverages, please see Pat to register for meals.
- Take-Out Meals will be provided beginning at 11:15 am-11:45am and are limited to no more than 20 people, please see Pat to register for meals.
- Any questions or assistance required in updating information currently on file, please speak with Angela.

Pat will assist everyone with claiming their days and making contributions toward meals and transportation.

***Fully understanding the request to choose two (2) days for attendance and following the updated policies and guidelines will ensure that everyone will have an opportunity to participate safely and staff will be able to manage any closures due to construction and COVID-19.***
