The age control date is August 1, 2022. Age on that date determines league.

Are exceptions made to the age control date?

Exceptions are not made for a child to play in a league below his/her age level. Occasionally, exceptions may be made to move a child up to a higher age level (For example, if the child is exceptionally advanced in the sport). Approval from the Program Coordinator is required before a child can be placed in a higher age level.

What eligibility documents are required?

Proof of age and Oconee residency as well as specific OCHS or NOHS school district is required. The documents must be provided to Chase Brown by Sunday, August 7th. A quality home and away jersey will be provided this season. OCPRD will issue helmets, shoulder pads and a mouth guard. Integrated football pants will need to be purchased (OCYFL standard pant color is white). Players can elect to purchase their own personal equipment (helmets, shoulder pads and a mouth guard) but the equipment must be inspected by staff prior to use. Cleats are highly recommended.

Can I request a specific team or coach for my child to be placed with?

Team placement requests are not considered. Players are placed by their age and school district. In the event we have enough players to warrant more than one team in a single age division, then there will be a draft according to NGYFA procedures. The draft will be proctored by an NGYFA Executive Committee member. The Head Coaches' kid(s) and siblings, if a sibling is playing in the same league, are the only guaranteed placements.

Practices are held at Oconee County Parks and Oconee/North Oconee school facilities. Games are held in High School stadiums at North Oconee, Oconee, and other locations within the NGYFA.

There is no guarantee to any team/league on a specific week night; however, practices are primarily held on Monday, Tuesday, and Thursday evenings. Some teams option to review game film in lieu of practice. Games are primarily held on Saturdays. The Saturday start times will vary, ranging from 9:00am through 6:00pm. Youngest divisions typically play first.

Roster size will be 15 to 35 players for a Tackle Football Team. Total numbers fluctuate based on registration numbers.

Will my kid make a team? My player is nervous about “Try Outs”.

There are no tryouts or evaluations. No players will be “cut” from a team.

Are there minimum playing time requirements?

Yes. All players must play a minimum of 6 live ball plays. Live ball plays would be any special teams plays such as kick off, punt or anytime a player enters the game to line up on the ball.

Does OCPRD coordinate end of season trophies?

OCPRD does not coordinate or arrange for trophies or end of season awards. The NGYFA will award trophies to the Super Bowl Champions, Super Bowl Runner-Up and their Cheerleaders. All teams are encouraged to arrange a post-season celebration on their own.

Is there a role other than coaching where I can help?

Yes! Most coaches need a parent(s) to run chains at games, photography, end of season activities, snacks, etc.
