Hi to Everyone!

Hootie here! Maybe you remember me? I transferred
to Meriwether County where I now live with

1. SANDY - Golden Retriever - eat's ALOT - left AT A GAS STATION
2. DEE-DEE - The Boss - AUSTRALIAN CATTLE DOG - purchased
3. Lindylou - LAZY CATTLE dog - STRAY
4. Pop - new hire pup my dad picked up on the road
5. TGGY - Pop's brother from the road
6. AXEL - OLD COCKER SPANIEL my dad pulled from the road - sleeps ALOT
7. LIL DARLIN - very young AND VIVACIOUS YOUNG LADY - ANOTHER dog from the road - found with AXEL
8. CHAMP - INDOOR PRIMADONNA - born on property
9. Jethro - old Cudger rabbit dog that my DAD found
10. WEINER - 17 yr old STRAY JACK RUSSEL - HAS THE MOST SENIORITY AT my new home
11. STICK - yellow LAB my dad found on the road. MY DAD'S #1 dog but I'm #2. my best friend.

The food is good, the health care excellent AND I'm working hard for A retirement package. My dad takes me out swimming in the white OAK CREEK AND STICK AND I go hunting. We tree'd A CAT yesterday until my DAD showed up AND ruined our party. My dad is building A new set of dog houses where he says they will be heated.

Well gang - so far so good. I'm working on my bad habit of jumping but my dad says I've made no progress. Hey it's my thing! AND every dog has to have A thing just like every dog has his day - Love to ALL those AT Oconee that took care of me - Love
