Watkinsville, GA  
(located inside OVP off Hwy 53)

Open to the Public

In this presentation, participants will:

- Be introduced to the different categories of dementia and the unique challenges of each.
- Learn proven techniques to maintain positive relationships with loved ones struggling with dementia.
- How to connect to resources to help both the person with dementia, and the ones who help with their care.

Let's talk  
about  
**dementia**

*Soon there will be two kinds of people in the world. People who have dementia and people who know someone that has dementia.*
