OCONEE COUNTY  
GEORGIA

## COURTHOUSE EXPANSION AND SECURITY RENOVATION

### Project Summary

The Oconee County Courthouse Expansion and Security Renovation will add 9,000 additional square feet to the current 45,000-square-foot building. A sally port will also be added, allowing for more secure transport of individuals from the jail to the courthouse. The expansion will allow for final long-term buildout of courthouse needs.
