

SPLOST PROJECTS

OCONEE COUNTY
GEORGIA

TRANSPORTATION IMPROVEMENT & MAINTENANCE PLAN FY19-20

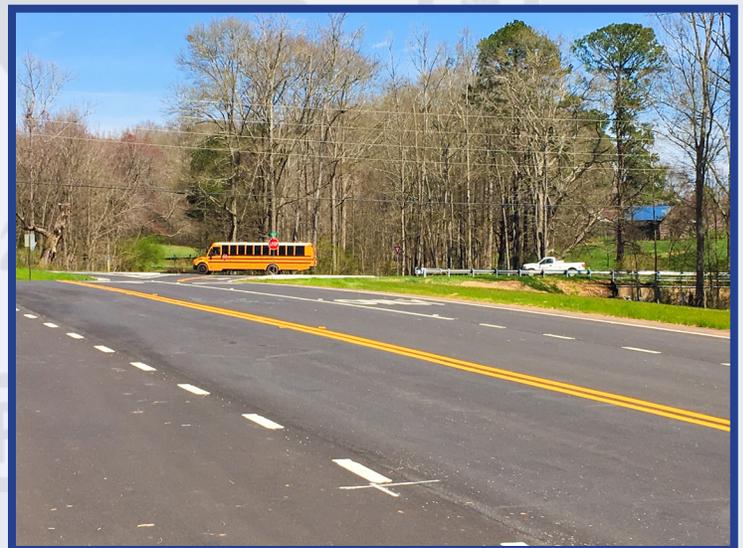

Project Summary

This project provides for the annual resurfacing of portions of the 390.48 miles of paved roads maintained by Oconee County. Roads are prioritized based on the pavement condition score of the roads and available funding for the year. Approximately 10 centerline miles will be resurfaced in FY19-20.

Project Timeline

The contractor began resurfacing work in March 2019. Completion is expected by August 2019.

Project Cost

\$1.6 million SPLOST funds
\$618,00 LMIG state funds
