OCONEE COUNTY SENIOR CENTER REGISTRATION INFORMATION

The Oconee County Senior Center welcomes participation from local citizens ages 50 or older as well as disabled individuals. We have two types of membership:

- “Full” membership is for adults 60 years or older, or for disabled individuals, and includes taking meals at the Senior Center or using the Center’s bus transportation.
- “Activities Only” membership is for persons who want to participate in Senior Center activities such as exercise programs, card games, bingo, etc. without taking meals at the Center or using the Center’s bus transportation.

Important criteria for membership:

- You must be willing to attend the center at least once a month for programs and activities;
- You must be able to communicate your needs and perform routine “activities of daily living” (ADL) independently. This includes eating, toileting, and entering and exiting the bus/van, and navigating the Senior Center;
- You must be able to ambulate independently, with or without assistive devices, or have a caregiver on hand who is able to assist you;
- You must be continent (able to toilet) or able to manage incontinence successfully and independently or have a caregiver on hand to assist you;
- For your own safety and the safety of your fellow participants, no one exhibiting confusion or a tendency to wander may attend the center without an attending caregiver.

In order that you are sure the Senior Center is right for you, we ask that you attend the center and participate in activities at least twice before filling out paperwork for membership. Once you have decided to attend, it is extremely important that you fill out all the appropriate forms so that the Center has the information that is needed according to state regulations and in the case of an emergency.

Please stop by the Center and take a tour with one of our courteous and professional staff members. Once you have decided to join, you can obtain the appropriate forms at the front desk.

Please call us with any questions you may have at 706-769-3979. We look forward to meeting with you to complete your membership registration!
