

# ROAD IMPROVEMENT

OCONEE COUNTY  
GEORGIA

## BISHOP FARMS PARKWAY EXTENSION

### Project Summary

Bishop Farms Parkway will be extended to connect GA Highway 53/Experiment Station Road and New High Shoals Road. The two-lane extension will include approximately 3,500 linear feet of road and a roundabout that will provide future access for adjacent parcels.

### Project Timeline

Construction is planned for FY 2020.

### Project Cost

The estimated total cost for design, right-of-way acquisition, and construction is \$2 million-\$2.5 million. GDOT will contribute \$600,000 to the project.
