Help with removing an invasive
species from Heritage Park

OCTOBER 27

Join us Tuesday
9A-1P | Heritage Park
706-769-3965

Volunteering at a work day is an excellent opportunity to get outside, learn more about forest health and meet new people.

Autumn Olive, though beautiful, is crowding out native species causing ecological harm to our forest and its inhabitants.

No training or experience is required; each volunteer will be trained in identification and removal.

Volunteers must pre-register: <http://www.oconeecounty.com/HeritagePark>
