Do you live within a city/municipality?	No
Briefly explain your educational background	I am an attorney by training. I'm employed as an Associate Director at the Carl Vinson Institute of Government at the University of Georgia where I supervise technical assistance

and applied research projects for local governments in Georgia.

I have been an employee of several local governments in Georgia. I was a Hall County employee while serving as an Assistant District Attorney in the Northeastern Judicial Circuit. I was an employee of Whitfield County while serving as Law Assistant in the Superior Court. I was a Deputy Clerk and a library technical processing assistant for DeKalb County. I also spent 10 years as in-house counsel to the Georgia Municipal Association.

Briefly explain why you seek this appointment

I think we are very fortunate in Oconee County to enjoy a mix of aesthetically pleasing suburban and rural vistas. I have always personally enjoyed the outdoors and having lived in far more urban areas throughout my life, I find that the peace and beauty of our county contributes significantly to the quality of life here. Combined with my personal interest helping preserve our surroundings, I have been impressed with the work of the Keep Oconee County Beautiful Commission. The events such as Bring One for the Chipper and the Dirty Dozen Road Cleanups have been well envisioned and well executed. I'd like to offer my support to this worthy group and its important mission.

If appointed, I agree to serve.

Ted Baggett
